Extended Application Deadline for the 2014 Norman Youth Council Class

The City of Norman is currently accepting applications for the 2014 Norman Youth Council class. Created by the Norman City Council in 2010, the Youth Council is an advisory body composed of local youth that provide input to the City Council, City boards, City commissions and other community organizations regarding issues that are important to youth in Norman. Applications are due by April 30, and the class is open to all high school sophomores, juniors and seniors who live within the Norman city limits. In addition to providing a completed application, applicants will also need to provide two letters of recommendation from adults familiar with their leadership skills and service to the community. Successful applicants will serve a term starting in September 2014 through May 2015 and are limited to two terms of service. The council will meet monthly, and will have the opportunity to receive briefings from City of Norman staff about current City programs, tour City facilities and learn more about the City's daily operations.

To learn more about the Youth Council and download an application, visit www.normanok.gov and click on "How do I" tab at the top of the homepage or contact Denise Johnson at 366-5422 or denise.johnson@normanok.gov.
